Name _____

Handwriting practice lines for the number 6. The first row shows two dashed '6's with blue arrows indicating stroke direction: down for the stem and counter-clockwise for the circle. This is followed by a row with five green starting dots on the top blue line. Below these are two more rows of empty handwriting lines (top blue, middle dashed, bottom pink) for independent practice.

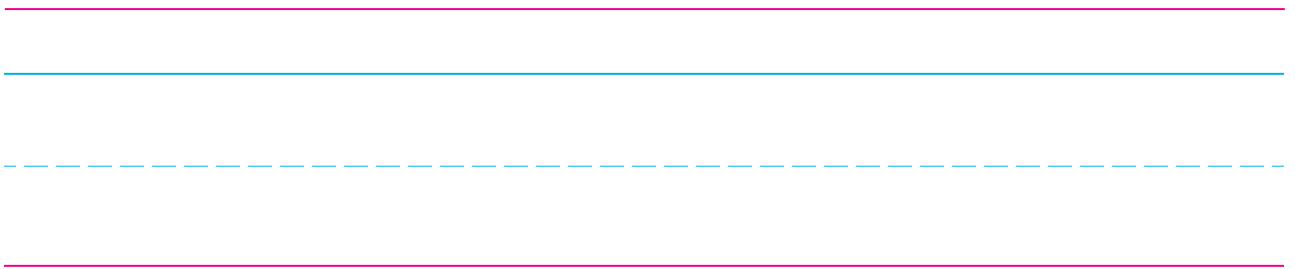

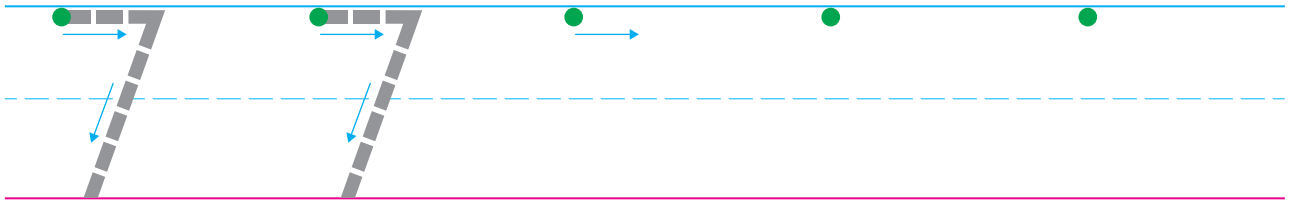

Name _____

Handwriting practice lines for the number 6, identical in format to the first section. It includes two dashed '6's with stroke direction arrows, a row of five green starting dots, and two rows of empty handwriting lines for practice.
